Parent Permission for Publication of Student Photo

Date _____

Dear Parent:

It is our practice when preparing work for external publications or on the Internet to seek parent permission before including your child's photo. In order to include your child's photo in the St. Alphonsus website, we must have your signed permission.

Safety Precautions include:

- Names of students will not be used on Internet projects.
- Any use of child's image will be in a technical format that can not be stopped and edited, therefore your child's image won't be able to be captured and downloaded. (i.e. movie files)

If you accept these conditions, please review the information, sign it, and return the bottom copy to school.
