## FAMILY NEWSLETTER FEBRUARY 9, 2011

### URGENT DISMISSAL REQUEST

For the safety of all our children, **PLEASE do not park your car anywhere in the bus pick up area or parking lots and then walk over to get your children out of car line or a bus line!** Children are not expecting cars to be over by the buses and cars are pulling out between the buses while our children are walking to their buses. ***This is a very dangerous situation and the safety of your children is our most important concern!*** **PLEASE follow proper protocol and remain in your car in car line and pick up your children at the main doors. And, please do not “pull” children from a bus line!** ***Unfortunately this is happening daily and it must stop now to protect the safety of your children.***

***Thank you for your cooperation in this very serious matter!***

**Altar Servers**

On Sunday, February 13<sup>th</sup> at 2pm, Cardinal Justin Rigali will be celebrating a special Mass of Thanksgiving for the altar servers in our Montgomery County Vicariate at the Cathedral Basilica of SS Peter and Paul. Please see flyer at end of this newsletter for more details and to sign up to attend.

### **MIDDLE STATES ACCREDITATION NEWS**

Saint Alphonsus School is beginning its Middle States re-accreditation process with the Middle States Association of Colleges and Schools Commission on Elementary Schools. This organization serves schools in the United States and other countries. It is a non-governmental, non-profit, peer administered organization. Accreditation encourages and facilitates school improvements and provides a mean for validating our school's integrity and accountability. The protocol for this re-accreditation is RENEWING THE VISION – Strategic Planning for School Improvement. We anticipate the completion of this process with a visit from the Middle States Team in spring of 2012. Our process has begun with the development of a Planning Team from members of our school/parish community.

We invite you to take this journey with us and we ask for your prayers and support. This course of action will lead us to an Action Plan with a comprehensive view of our future goals and objectives for Saint Alphonsus School.

You will be receiving regular updates and requests for participation in our surveys. We thank you in advance for your support of this process.

The Steering Committee:

Mr. John Steck, Principal

Mrs. Carol Opdyke – Co-chair

Mrs. Jane Gironde – Co-chair

Mrs. Linda Reilly

Mrs. Anita Fleming

The **Scholastic Book Fair** will be at St. Alphonsus School the week of February 13<sup>th</sup>! Check out the St. Alphonsus homepage at Scholastic. An Ice Cream Social hosted by Home & School will be Wednesday evening from 6:30 to 8:00. Click on this link to our school fair: <http://bookfairs.scholastic.com/homepage/stas>. See the Book Fair flyer at the end of this newsletter for more information and to volunteer to help at this event.

Please consider donating your loose change to support One-for-Books. The proceeds will purchase books for the Global Leadership Academy - the charter school in Philadelphia that lost all of their books and supplies in a fire. A container for your loose change is in the library now and will be there throughout the book fair. A fun way to donate change could be: pennies on Mondays, nickels on Tuesdays, dimes on Thursdays, and quarters on Fridays.

**First Friday Mass Collections:** On each First Friday of the month we are asking for donations for the Face to Face Program. For Friday, March 4th, we are asking the children to bring in the following items:

Men's shaving cream

Hand and body lotion

Toothpaste & Toothbrushes

Hand and body soap

**SASO Valentine Lollipop Sale:** SASO will be selling Valentine Lollipops from February 7 to February 14. The choices are large or small sweet lips or hearts. The small pops are \$.50 and the large pops are \$1.00. The proceeds from the lollipop sale will benefit the Mercy Ministries in Philadelphia. This ministry helps the poor and homeless children and families of Philadelphia. Thank you for supporting SASO in this endeavor.

**Science Fair:** This year's Science Fair is being held in the cafeteria on April 7<sup>th</sup> from 7:00-8:30pm. Information and Entry forms are available on the school website along with the Student Information Booklets. **ALL students in Grades K to 6** interested in participating in the Science Fair need to fill out the application form and submit to Mrs. Gribb by March 11th. Students should bring their displays to the cafeteria by 8:00am on April 7<sup>th</sup> to be set up. Any questions, please contact Mrs. Gribb at [ssgribb@gmail.com](mailto:ssgribb@gmail.com)

**News from the St. A's Tech Lab:** Do you have a digital camera that is just lying around your house collecting dust? Ms. Lebiezinski would love to take it off your hands!! She is looking for working, user-friendly digital cameras to use with the children in all grade levels. Thank you in advance for your generosity.

The eighth graders are in the initial phases of making videos (using Windows Movie maker) highlighting the various facets of our school. The students would benefit tremendously from brainstorming with a professional videographer. Contact Ms. Lebiezinski at [mslebiezinski@gmail.com](mailto:mslebiezinski@gmail.com) if you have experience making videos or know someone who would be willing to talk with the students (live or via skype).

**Safe Environment Workshop:** Thank you for all your help with our children ... your presence and support are greatly appreciated. If you work with children on a weekly basis (lunchroom, library, classrooms, etc.) you are required to attend the "Protecting God's Children for Adults" workshop." Visit [www.virtusonline.org](http://www.virtusonline.org) for sessions and to register on line. Please be sure to give the office a copy of your certificate after completing the workshop.

**Box Tops for Education:** Thanks for Kathleen McGettigan for running this very worthwhile program! We received a check for \$511 for all the Box Tops that have been turned into the office. Please keep clipping "Box Tops!" **The next mailing of Box Tops will be February 28<sup>th</sup> so be sure to get all those Box Tops you've been collecting into school soon!** This is a great way for the school to obtain money for just a little effort on everyone's part!

**Archdiocese of Philadelphia OCE Blue Ribbon Commission Information:** In order to keep you updated on the movement and progress of the Blue Ribbon Commission, please visit the website: <http://www.catholicschools-phl.org/blue-ribbon-commission/video-of-press-conference>.

## A NOTE FROM THE SCHOOL NURSE

### When to Keep Your Child Home from School

Many children are sick and should be kept home even though they do not have a temperature. We count on parents to use their best judgment. If your child's temperature is 100 degrees or higher, your child should not attend school. While at home, encourage your child to drink plenty of liquids. Your child must be fever-free for 24 hours (without medicine) before returning to school.

**Mild Cough/Runny Nose** - If there is no fever, and the child feels well enough, he/she may attend school.

**Lice** - Please do your part to prevent the spread of this communicable condition. Treat your child with a pharmacist recommended OTC product following the directions on the bottle **EXACTLY** as written by the manufacturer. Report lice activity to the school nurse. Your child's confidentiality will be maintained. Your child may return to school after treatment is complete. He/she will be checked by the school nurse.

**Bad Cough/Cold Symptoms** - Children with bad coughs should stay home, and possibly see a doctor. A severe cold could be flu, bronchitis or pneumonia. When the cough improves, and your child is feeling better, then it's back to school.

**Diarrhea or Vomiting** - Keep your child home when they are experiencing diarrhea or vomiting and for 24 hours after the last episode (without medicine) at which time your child may return to school.

**Sore Throat** - A minor sore throat is usually not a problem, but a severe sore throat could be a symptom of strep throat - even if there is no fever. Other symptoms of strep throat are headache and stomach upset. Keep your child home from school and contact a doctor. Your child needs a special test to determine if it is strep throat. If prescribed, he/she can return to school 24 hours after antibiotic treatment begins.

**Earache** - The child needs to see a doctor to rule out infection.

**Pink Eye (Conjunctivitis)** - Keep the child home until a doctor has cleared an OK to return to school. Pink eye is highly contagious and most cases are caused by a virus, which will not respond to an antibiotic. Bacterial conjunctivitis will require an antibiotic; your doctor will be able to determine if this is the case.

**Rash** - Children with a skin rash should see a doctor, as this could be one of several infectious diseases requiring medical treatment.

**Remember when in doubt; always call your doctor for advice.**

## **Altar Server Mass Sunday February 13, 2011**

On Sunday, February 13<sup>th</sup>, Cardinal Justin Rigali will be celebrating a special Mass of Thanksgiving for the altar servers in our Montgomery County Vicariate at the Cathedral Basilica of Sts Peter and Paul. The mass will be at 2pm. Father Moerman (before he left) reserved a section for St. Alphonsus. Father Quan will be taking any interested students down to the mass. If we get enough students we can reserve a bus. We could also use some parents as chaperones. We plan to leave St. Alphonsus at noon.

As in prior years, the Archdiocese asks that there be no CYO games scheduled that day so that the students can attend this mass. This is a very nice event. You will have the opportunity to meet the Cardinal and have a group picture taken with him. Father Quan will also host a pizza party back in the narthex when you return.

Please complete the information below if you are interested in attending or email Mrs. Morris at [Kmorris1000@comcast.net](mailto:Kmorris1000@comcast.net).

## ST. ALPHONSUS SCIENCE FAIR INFORMATION

### January 25, 2011

Dear St. Alphonsus Parents,

On Thursday, April 7<sup>th</sup> and Friday, April 8<sup>th</sup>, St. Alphonsus School will be hosting the annual Science Fair. The purpose of an elementary school science fair is to encourage the students to have an interest in science, provide them with a learning experience related to science, and to have fun at the same time. On the school website, you will find information regarding the types of entries and guidelines.

Every child is encouraged to participate in the Science Fair. Entries should be simple, age appropriate and within the child's scope of ability and interest. Participation for Pre-K to Grade 6 is voluntary. Individual or group projects are allowed. Participation for Grades 7 and 8 is required and will be assessed as a major third trimester project grade. The seventh grade students may collaborate (two in a group); eighth grade students will work on their own ideas and **all** students in seventh and eighth grade must submit a final report.

Parents should provide guidance, direction and support for your child. Children may need help in organizing their ideas, and assistance with finding information and materials and sometimes supervision. The Science Fair is not a competitive event. All students' efforts will be recognized.

During the school days on Thursday, April 7<sup>th</sup> and Friday, April 8<sup>th</sup>, all students of St. Alphonsus will be given the opportunity to view the Science Fair entries. Parents are invited on Thursday, April 7<sup>th</sup> to visit from 7:00 to 8:00 pm. During this hour, students are expected to stay with their projects and provide additional information and answer questions.

If your child is interested in participating, please print and return the entry form by Friday, March 11<sup>th</sup> in order to plan appropriate space and print a certificate for each student. **All project requirements for Grades K through 6<sup>th</sup> are on the St. Alphonsus school web page.** Grades 7 and 8 have received a booklet with more detailed information. This guide is also on the internet.

Any questions or concerns, please contact Mrs. Sharon Gribb at 215-646-0150 extension 208 or [ssgribb@gmail.com](mailto:ssgribb@gmail.com).

We look forward to seeing you at the Science Fair!

Science Fair Coordinators,

Sharon Gribb and Diane DiNenno
